DESIGN EXPERIENCE

Freelance Graphic Designer: October 2020 - current

- I work with several non-profits to create print or web collateral and consult on social media campaigns.
- My main client is a national on-line retail clothing company with 1 store front. They said, "You're so fast there's nothing left to do by the time I finish telling you what to do."

Claiborne Senior Living Management: February 2020 - August 2020

Graphic Designer/Social Media Manager

- Worked closely with the rest of the Management Team, or Executive Directors, to design for print or web content.
- Received quotes and made decisions regarding materials and promotional collateral through our vendors.
- Managed the branding for all 8 communities for social media, print, and website content.

Bourne Brothers Printing Company: May 2016 - January 2020

Pre-press Graphic Designer

- Designed and prepared projects to be printed or digitally implemented from concept conception to completion.
- Obtained approval of concept by submitting a PDF of layout to customer for approval.
- Aided pre-press director in updating company's social media.

Brown Printing Company: November 2013 - July 2015

Pre-press Graphic Designer

- Designed projects to be printed and often worked closely with customers to design their projects.
- Worked with the design team to proof copy.
- Chose paper for each job based on the customer's needs and operated the digital machine.

Central Mississippi Medical Center: April 2012- August 2012

Graphic Designer/Marketing Intern

- Designed projects to be printed based on the needs of the doctors and our marketing staff.
- Prepared artwork to be sent to vendors and print shops.
- Helped plan, set up, and tear down marketing events or pop-ups for the hospital.
